

THE PRESENT FUTURE-

A Call to Radical Reformation

Dr. John Thomas, East Campus Pastor :: June 28

Radically Connected to Christ

Hebrews 13: 13-14

The Reality...

If we are...

Radically established by grace and

Radically devoted to the Gospel

Then we must be...

Radically connected to Christ!

Important Questions:

How do we stay radically connected to Christ?

- Keep on **going out** to Him...
- Connection and **separation** with a purpose!
- Keep on **bearing** His disgrace...
- Bearing the **reproach** of this world for His greater glory!

Why should we stay radically connected to Christ?

- This world is not our home...
- We are on a **glorious pilgrimage!**
- We wait for a **future city!**

What do we do now?

- Will you acknowledge your need for radical reformation today?
- Are you willing to radically connect yourself to Christ?
- Will you begin the process today?
- What is hindering the process for you?
