## **A Call to Radical Reformation**

*Dr. John Thomas, East Campus Pastor :: July 5*

### **Radically Committed to Worship**

*Hebrews 13:15*

Since we are...

**Radically** connected to Christ!

Then we must be...

**Radically** committed to worship!

#### **The Basis of our Commitment— Why?**

- Therefore.... Looking back—
  - Christ has become the **final** sacrifice for sin for all time!
  - Christ has **sanctified** believers through His blood!
  - Christians are **joined** to Him for a purpose!

#### **The Means of our Commitment— How?**

- Through Him we are to....
  - Continually offer a **sacrifice** of praise to God.
  - Continually bear a **fruitful** confession

#### **The Result of our Commitment— What do we do now?**

- Will you acknowledge your need for radical reformation today?
- Are you willing to radically commit yourself to worship?
- Will you begin the process of radically committing yourself to worship for His glory?
- What is hindering the process for you?
