Radically Involved in Disciple-Making

Hebrews 13:16

Since we are...

- Radically connected to Christ and
- Radically committed to Worship!

Then we must be also ...

- **Radically** involved in Disciple-Making!

The Basis for our Involvement— Why?

- Worshipping Christ, the perfect sacrifice, **compels us** to make Him known!
- Disciple-making is our **privilege** and **calling**...

It is our LIFE!

The Means of our Involvement — How?

- To do **good!**
- To **share!**

The Result of our Involvement — What?

- God is **pleased!**

What Now?

- Will you acknowledge your need for radical reformation today?
- Are you willing to radically commit yourself to disciple-making?
- Will you begin to be radically involved in making disciples for the glory of Christ?
- What is hindering the process for you?
