Dr. John Thomas, East Campus Pastor :: July 19

Radically Organized for Ministry

Hebrews 13:17

Truth!

The biblical call to make disciples **demands** that the church be radically organized for ministry...

Truth!

A church that is radically **organized** for ministry has both leaders and followers...

Truth!

Leaders will give an **account** for the way in which they have cared for the souls entrusted to them...

Truth!

When followers **obey** and **submit** to their leaders it brings great joy...

Truth!

When followers obey and submit to their leaders it **profits all!**
