## A Call to Radical Reformation

Dr. John Thomas, East Campus Pastor :: July 26

### **Radically Concentrated in Prayer**

*Hebrews 13:18-19*

➤ **Think about it...**

What happens when **you** pray?

What is **your attitude** toward prayer?

➤ **Consider this...**

- Our prayer is required! (18a)
  - It is an **imperative**....
  - Imagine a world **without** prayer....
- Our prayer is urgently needed! (18b-19a)
  - It cannot wait....
  - **Lives** are at stake....
- Our prayer is effective! (19b)
  - Don't buy the lie....
  - Prayer is **consistent** with His Sovereignty....
  - Praying demonstrates our **confidence** in His perfect plan....

➤ **Action Steps...**

- Acknowledge your need for radical reformation today.
- Desire to be radically concentrated in prayer.
- Begin the process now of concentrating your prayer for His glory.
- Deal with whatever may be hindering the process for you today.
